

Creature index

All one hundred and twelve creatures in one alphabetical list. Capitals in the pronunciation mark the stressed syllable. The class is the chapter the creature is filed under — by what it does, not where it is from — and the kin family, where there is one, is the image it shares with creatures from other traditions.

Creature	Say it	Class	Tradition	Kin	Other names	Page
Àbíkú	ah-BEE-koo	The Restless Dead	Yorùbá · Ashanti	The Night Hag	Ogbanje (Igbo karşılığı)	379
