

Say these names

Nobody will mind if you say a name your own way. But if you would like to say it the way the story's own people say it, here is how — every name in the book, in one list. Capitals mark the stressed syllable. The book's index gives the source for each one.

A

- Akan** AH-kahn 32. How the Stories Got Their Name · p. 153
Alborz al-BORZ 13. The Baby Left on the Mountain · p. 69
Amaterasu ah-mah-teh-RAH-soo 23. The Door That Was Opened by Laughing · p. 114
